

## **STUDENTS WITH MILK (LACTOSE) INTOLERANCE**

The responsibility of Stillwater Area Public Schools to provide substitutions for any child with lactose intolerance is specified in State Law 124D.144. Under this law, a school district that participates in National School Lunch Program or School Breakfast Program and receives a written request from a parent shall make available lactose-free milk. The school is not required to make available any other substitutions, such as juice, based on lactose intolerance.
