Health Care Reimbursement

The National Independent Health Club Association (NIHCA) is the organization that will process reimbursements into your account. The PAC will turn in a monthly report to NIHCA and they will reimburse individuals that meet the required number of workouts. Reimbursements qualify for one visit per day. Two visits in one day will not qualify as 2 workouts. Your reimbursement will be sent to you directly from NIHCA and will be applied to your account at the end of the next month. For example, if you meet your required monthly workout quota in June, you would receive the reimbursement at the end of July.

Register for health reimbursement online at nihcarewards.org/. When signing up for these reimbursement programs, please have your health insurance card and a checking account number with you. These documents are required for registration. Reimbursement forms are also available at the PAC front desk.

PAC Gymnasium Courts #5-8

Play basketball, soccer, volleyball, pickleball and more in the gym—it’s all included with your membership. Open gym offerings are also included in your membership. Review the schedule to find out availability. You will need to provide your own equipment such as basketball and volleyballs for personal use. If you have a group that would like to organize an open gym activity, please contact the PAC.

The Gym is a shared space

Physical education classes, High School games, Community Education classes, open gyms and rentals are several activities that will occur daily. The gym schedules will be posted in the gym areas and available online for PAC members and visitors to view in advance. Community Fitness Activities

On select Friday evenings and Saturday afternoons, families and adults can access athletic facilities at Stillwater Middle School, Pony Activity Center and Early Childhood Family Center. These events are free for PAC members and community members who register in advance. At Stillwater Middle School, access to the pool, weight room and gym activities are available. At the Pony Activity Center, participants will have access to the gymnasiums, indoor track, cardio and weight room.

There is one family bathroom located on the first floor. This bathroom should be used when children accompany a parent or guardian of the opposite sex.

By offering separate changing areas and individual and family locker rooms, we believe everyone can find a reasonable solution which will allow all members to have access to our facilities.
Weather and Facility Closing

The PAC will follow school and facility closure guidelines in accordance with district policy for inclement weather. Facility closures will be announced on the PAC website, via email to all members when possible, and on local media channels. All efforts to communicate closures in advance will take place, however unforeseen circumstances may require a portion or the entire facility to be closed or restricted for construction, repair, health and/or safety reasons. The PAC reserves the right to close certain parts of the facility for major events that would impact your ability to effectively use the PAC.

Lost and Found

The PAC is not responsible for any lost or stolen items. Contact the front desk to retrieve lost items. Items that are not recovered will be donated to a local charity.

Cancellation Policy

The PAC does not have longterm or annual contracts with its members. Membership runs on a month-to-month basis with automatic monthly withdrawal of membership dues or payment in full. Membership is not based on facility usage, therefore monthly membership dues will be withdrawn or paid in full whether or not members use the facility. Notice must be provided by the account holder in writing or in person at the PAC.

Cancelling a Monthly Recurring Membership

If you are registered for a monthly recurring payment membership (that is not for a specified term or commitment period), you may cancel by providing notice to the PAC office at least 5 business days before the first of the month. Upon your request to cancel, all future monthly payments will be stopped. Your current membership will remain active until the end of the month.

Members can suspend payment on their membership for up to 3 months while they are unable to use their membership, due to injury, travel and other qualifying circumstances. If the member is unable to use their membership for more than 3 months, the membership will be cancelled. At that point the member will need to re-register at the PAC when they wish to resume.

Cancelling a Prepaid Monthly Membership

If you have purchased a fixed-time (30 Day, 60 Day, 90 Day) membership and paid the balance in full, you must provide notice to the Pony Activity Center office 30 days before the expiration date to receive a refund. All cancellations given with a 30 day notice will be charged a $5.00 processing fee and refunded the remaining monthly amount. No refunds are given if there is less than 30 days on your contract.
Membership Suspension or Termination

The PAC reserves the right to suspend or terminate your membership, or any member on your membership, at any time for a failure to comply with these or any of our other rules, regulations, procedures or policies (which may be amended as necessary), or for conduct we determine to be improper or contrary to our best interests. A membership that is terminated will stop payment at the end of the month and no refund is given. If a membership is suspended, payment to the account still occurs. Wristbands, daily passes are to be used to the name assigned. Violation of this will be grounds for membership termination.
