ISD 834 Board Meeting

Agenda Item: Open Forum
Meeting Date: January 9, 2020

Background:

If you wish to speak to the School Board, you will be able to do so at the start of the school board meeting during Open Forum. You may sign in only for yourself, not other individuals or groups, and only in person. The sign in sheet is made available 30 minutes prior and up to the start of the meeting. Due to time limitations, we will limit the number of speakers to 15 for 3 minutes each. If you spoke at the last meeting, please consider allowing others to sign in before you. After you address the Board, please leave the podium.

Stillwater Area School District welcomes input from citizens as community involvement fosters better decision making and improved learning experiences for all students. While comments and questions are welcome during Open Forum, law prohibits the Board from discussing concerns about individual employees or students in a public meeting. We will stop the proceedings immediately if employee or student privacy issues are raised and direct the speaker to forward comments regarding individual employees or students to the superintendent.

Because we are modeling civil discourse for our community, speakers must present their testimony in a respectful manner. Vulgarity, character attacks, malice or specific complaints identifying staff or students by name or implication will not be permitted.

The Board will not deliberate, discuss, or engage in conversation with speakers during open forum.

However, the Board may ask administration to review the concern(s) presented.

Recommendation:

The purpose of this report is the District is required by statute to designate a newspaper for official school publications (Minnesota Statute 331A.04) each year.

Summary:
Administration requested proposals from the Stillwater Gazette, Press Publications/St. Croix Valley Press (The Lowdown) and Country Messenger. Criteria for evaluation of proposals included cost per column inch to publish District 834’s legal notices and proceedings, the schedule for newspaper publications including deadlines for submission of notices, and, pertinent newspaper service/circulation data. Lillie Suburban Newspapers, Inc. is closed and no longer an option for proposals.

The Stillwater Gazette is published once a week, on Fridays, for submission of legal notices, with circulation to approximately 1,580 households in the St. Croix Valley area zip codes. Lillie Suburban Newspapers, Inc. is officially closed and therefore no longer an option for official publication. The Lowdown - St. Croix Valley Area is published weekly however will no longer be doing submission of legal notices. The Country Messenger is published weekly, for submission of legal notices, with circulation to approximately 927 households. The following table shows the proposed rates for 2020 as well as historical costs.

Recommendation:
After evaluating all criteria, Administration recommends that the Board of Education designate the Stillwater Gazette as the newspaper for official publications from January 1, 2020 to December 31, 2020 based on circulation. Estimated costs are projected to increase approximately $2,000 based on prior year’s usage. Without consideration of circulation, the district is estimated to save approximately $4,000 in comparison to the Stillwater Gazette by using Country Messenger as the newspaper for official publication.

Approval of the Consent Agenda will be requested.
Consent Report: Designate Depositories of Major Accounts
Meeting Date: January 9, 2020
Contact Person: Kristen Hoheisel, Executive Director of Finance and Operations

Background:

Administration has reviewed the checking and depositing needs of Independent School District #834. Prior to naming the official depositories, any Board member who has stock or any other financial interest in a bank located within the boundaries of the school district, other than a regular account, must make this fact a matter of public record.

Administration recommends that the Board designate the following institutions as depositories of District funds:

- First State Bank and Trust
- Lake Elmo Bank
- MN Trust (PMA Financial)
- U.S. Bank
- U.S. Bancorp Piper Jaffray

Administration recommends continuing designation of the Major Account Banks as follows:

- Lake Elmo Bank - Operating, Debt and Building Funds
- First State Bank and Trust - Payroll Account
INDEPENDENT SCHOOL DISTRICT #834  
SCHOOL BOARD RESOLUTION  
DESIGNATING DEPOSITORIES AND MAJOR ACCOUNT BANKS  

Whereas, it is the practice of the School Board of Independent School District #834 to adopt its annual organizational resolutions at its first meeting of the calendar year;

Whereas, Administration has reviewed the checking and depositing needs for School District funds and has recommended the designation of the following depositories:

First State Bank and Trust  
Lake Elmo Bank  
MN Trust (PMA Financial)  
U.S. Bank  
U.S. Bancorp Piper Jaffray

Whereas, Administration has recommended that the following depositories continue to be designated as Major Account Banks:

Lake Elmo Bank - Operating, Debt and Building Funds  
First State Bank and Trust - Payroll Account

Whereas, any Board member who has stock or any other financial interest in a bank located within the boundaries of the school district, other than a regular account, must make this fact a matter of public record; and no individual Board member voting on this resolution has any such financial interest;

Now therefore the School Board of Independent School District #834 hereby resolves:

1. The Board designates the following depositories for School District funds:

   First State Bank and Trust  
   Lake Elmo Bank  
   MN Trust (PMA Financial)  
   U.S. Bank  
   U.S. Bancorp Piper Jaffray

2. The Board designates the following depositories as Major Account Banks:

   Lake Elmo Bank - Operating, Debt and Building Funds  
   First State Bank and Trust - Payroll Account

ISD 834 Board Meeting

Consent Report: Resolution Authorizing Use of Facsimile Signature
Meeting Date: January 9, 2020
Contact Person: Kristen Hoheisel, Executive Director of Finance and Operations

Background:

As a practical matter, the District must authorize the use of facsimile signatures for purposes of conducting financial affairs. Minnesota Statutes § 47.41 authorizes such facsimile signatures. If the District maintains insurance to protect its depositors against the misuse of facsimile signatures, under Minnesota Statutes § 47.42 the authorized signers are protected against personal liability for losses arising from the misuse of their facsimile signatures (unless the loss is caused by that authorized signer’s own wrongful act). Staff recommends the Board adopt the following resolution:

1. The Board Chair, the Board Clerk, and the Executive Director of Finance are hereby authorized to sign checks, drafts, warrants, warrant-checks, vouchers or other orders on public funds on deposit in a depository bank (“Instruments”).

2. The School District’s depository banks are hereby authorized to honor any Instrument bearing the facsimile signature of the Board Chair, the Board Clerk, or the Executive Director of Finance, and to charge the Instrument to the account on which it is drawn as fully as though the Instrument bore the manually written signature of such officers.

3. The School Board hereby authorizes and directs Administration to procure and maintain insurance in the amount of $50,000, from an insurer authorized to do business in the State of Minnesota, to insure the depositors against the loss of any public funds withdrawn upon unauthorized use of facsimile signatures.
WHEREAS, it is the practice of the School Board of Independent School District #834 to adopt its annual organizational resolutions at its first meeting of the calendar year;

WHEREAS, Minnesota Statutes § 47.41 permits the School District to authorize its depository banks to accept facsimile signatures of any officer or other person authorized to sign checks or other orders for public funds on deposit;

WHEREAS, Minnesota Statutes § 47.42 authorizes the School District to insure depositors against losses arising from any unauthorized use of such facsimile signatures; and

WHEREAS, if the School District insures depositors against losses arising from the misuse of facsimile signatures, under Minnesota Statues § 47.42 the authorized signers shall not be personally liable for losses arising from the misuse of their facsimile signatures unless the loss occurs by reason of that person’s own wrongful act;

NOW THEREFORE the School Board of Independent School District #834 hereby resolves:

1. The Board Chair, the Board Clerk, and the Executive Director of Finance are hereby authorized to sign checks, drafts, warrants, warrant-checks, vouchers or other orders on public funds on deposit in a depository bank (“Instruments”).

2. The School District’s depository banks are hereby authorized to honor any Instrument bearing the facsimile signature of the Board Chair, the Board Clerk, or the Executive Director of Finance, and to charge the Instrument to the account on which it is drawn as fully as though the Instrument bore the manually written signature of such officers.

3. The School Board hereby authorizes and directs Administration to procure and maintain insurance in the amount of $50,000, from an insurer authorized to do business in the State of Minnesota, to insure the depositors against the loss of any public funds withdrawn upon unauthorized use of facsimile signatures.
Background:

Minnesota Statute 123B.52, subdivision 2, states that the Board may authorize its superintendent or business manager to lease, purchase, and contract for goods and services within the Board-approved budget. In our Administration, the title of the business manager is Executive Director of Finance. The current statutory limit on the delegated contracting authority is $175,000. (See Minn. Stat. § 123B.52, Subd. 2; and Minn. Stat. § 471.345, Subd. 3.) The Board has the discretion to set the limit at a lower amount if it chooses. Staff recommends the Board adopt the following resolution authorizing the Superintendent and the Executive Director of Finance to contract for items in the Board-approved budget:

1. The Board hereby authorizes the Superintendent and the Executive Director of Finance to lease, purchase, and contract for goods and services that: (a) are within the budget the Board has approved; and, (b) do not exceed $50,000.

2. Any proposed lease, purchase, or contract exceeding $50,000 must be submitted to the Board for approval.

3. Any proposed lease, purchase, or contract for an item outside the Board’s approved budget must be submitted to the Board for approval.

4. Notwithstanding the delegation of authority in Paragraph 1, the Board retains the discretion and authority to review, approve, or reject any proposed lease, purchase, or contract before it is executed.
INDEPENDENT SCHOOL DISTRICT #834
SCHOOL BOARD RESOLUTION
DELEGATING CONTRACTING AUTHORITY

Whereas, it is the practice of the School Board of Independent School District #834 to adopt its annual organizational resolutions at its first meeting of the calendar year;

Whereas, Minnesota Statute 123B.52, subdivision 2, authorizes the Board to delegate to the superintendent or business manager the authority to lease, purchase, and contract for goods and services within the Board-approved budget;

Whereas, the title of the School District’s business manager is Executive Director of Finance; and

Whereas, the current statutory limit on the delegated contracting authority under Minnesota Statutes §§ 123B.52 and 471.345 is $175,000;

Now therefore the School Board of Independent School District #834 hereby resolves:

1. The Board hereby authorizes the Superintendent and the Executive Director of Finance to lease, purchase, and contract for goods and services that: (a) are within the budget the Board has approved; and (b) do not exceed $50,000.

2. Any proposed lease, purchase, or contract exceeding $50,000 must be submitted to the Board for approval.

3. Any proposed lease, purchase, or contract for an item outside the Board’s approved budget must be submitted to the Board for approval.

4. Notwithstanding the delegation of authority in Paragraph 1, the Board retains the discretion and authority to review, approve, or reject any proposed lease, purchase, or contract before it is executed.
Consent Report: Resolution Authorizing Administration to Develop Specifications and Solicit Bids
Meeting Date: January 9, 2020
Contact Person: Kristen Hoheisel, Executive Director of Finance and Operations

Background:

Minnesota Statute 123B.52 provides that the Board may not enter into certain types of contracts with an estimated cost or value over $175,000 without first advertising for bids or proposals. For items within the Board’s approved budget that require advertising for bids, the following resolution authorizes Administration to develop specifications and solicit bids for the Board’s consideration:

1. The Board hereby authorizes Administration to develop specifications and solicit bids on budgeted items which, by statute, must be advertised for bid. This authorization is limited to items the Board has approved in the budget process.

2. The Board retains the discretion to elect to review any specifications before soliciting bids.

3. The Board retains the sole authority to review all bids and accept or reject any or all bids based on that review.
WHEREAS, it is the practice of the School Board of Independent School District #834 to adopt its annual organizational resolutions at its first meeting of the calendar year;

WHEREAS, Minnesota Statutes § 123B.52 provides that the Board may not enter into certain types of contracts with an estimated cost or value over $175,000 without first advertising for bids or proposals;

WHEREAS, items within the Board’s approved budget may require advertising for bids under Minnesota Statutes § 123B.52; and

WHEREAS, the Board finds it expedient to authorize staff to prepare specifications and advertise for bids on items that are within the Board’s approved budget;

NOW THEREFORE the School Board of Independent School District #834 hereby resolves:

1. The Board hereby authorizes Administration to develop specifications and solicit bids on budgeted items which, by statute, must be advertised for bid. This authorization is limited to items the Board has approved in the budget process.

2. The Board retains the discretion to elect to review any specifications before soliciting bids.

3. The Board retains the sole authority to review all bids and accept or reject any or all bids based on that review.
Consent Report: Resolution Authorizing Executive Director of Finance and Operations / Supervisor of Financial Services to make Electronic Fund Transfers  
Meeting Date: January 9, 2020  
Contact Person: Kristen Hoheisel, Executive Director of Finance and Operations

Background:

MS 471.38 defines the authorized electronic fund transfers and procedures. That statute requires the School District to follow certain policy controls which include, among other things, that all transfers be reported to the Board at its next regular meeting. The School District follows all required controls and a report of all transfers is a part of the Consent Agenda that is approved by the Board. In addition, the statute requires the School Board annually designate the staff that may authorize these electronic transfers. The following resolution makes that designation.

“The Board hereby delegates to the Executive Director of Finance and Operations and to the Supervisor of Financial Services the authority to make electronic fund transfers. These designated district staff shall continue to be shown on the appropriate major bank account signature cards as required by bank policy.”
INDEPENDENT SCHOOL DISTRICT #834
SCHOOL BOARD RESOLUTION
AUTHORIZING ELECTRONIC FUND TRANSFERS

Whereas, it is the practice of the School Board of Independent School District #834 to adopt its annual organizational resolutions at its first meeting of the calendar year;

Whereas, Minnesota Statutes § 471.38, subdivision 3, authorizes the School District to utilize electronic fund transfers for the following matters: (1) for a claim for a payment from an imprest payroll bank account or investment of excess money; (2) for a payment of tax or aid anticipation certificates; (3) for a payment of contributions to pension or retirement fund; (4) for vendor payments; and (5) for payment of bond principal, bond interest and a fiscal agent service charge from the debt redemption fund;

Whereas, to be eligible to utilize electronic fund transfers, the School District must annually delegate the authority to make electronic funds transfers to a designated business administrator or chief financial officer or the officer's designee;

Now therefore the School Board of Independent School District #834 hereby resolves:

1. The Board hereby delegates to the Executive Director of Finance and Operations and to the Supervisor of Financial Services the authority to make electronic fund transfers. These designated district staff shall continue to be shown on the appropriate major bank account signature cards as required by bank policy.

Date Prepared: January 3, 2020
ISD 834 Board Meeting

Consent Report: Fixed Asset Inventory and Appraisal
Meeting Date: January 9, 2020
Contact Person: Kristen Hoheisel, Executive Director of Finance and Operations

Background:

Stillwater Area Public Schools is required to maintain an inventory of the fixed assets that are district owned. This is necessitated for audit compliance and meeting Generally Accepted Accounting Principles, including Governmental Accounting Standards Board (GASB) 34/35 requirements and Government Accounting, Auditing and Financial Reporting requirements (GAAFR) requirements. An appraisal of our inventory also provides a basis of insurable values for the amount of property and liability insurance and a proof of loss substantiation.

Due to the fact that the last formal fixed asset report was completed October, 2002, administration issued a formal request for proposal for asset inventory and appraisal in October, 2019. The district received two responses. Based on the quality of those responses and the comprehensive nature of the reports, the district entered into direct negotiation with Valuations Northwest.

Location(s): All

Project Name: Fixed Asset Inventory and Appraisal

Fund: General Fund (Capital)

Amount: Estimated to be $59,050

Administration recommends approval of entering into an agreement with Valuations Northwest to complete construction valuation which will include all district campus buildings and sports complexes including campus sites not currently in operation (Withrow has been deleted). Valuations Northwest will also complete an equipment valuation along with asset tagging.
