The acting board chair will administer the ceremonial Oath of Office to the three newly elected board members.

SCHOOL BOARD MEMBER OATH OF OFFICE

It is an honor that you were elected to guide the education of our community’s children. As you recite the oath of office, you assume a tremendous responsibility as a director of our school district with the duties empowered by the Minnesota Legislature. This power puts you and the other members of our school board in the position of being both morally and legally responsible for equitable, quality education of every student in the district.

In carrying out this responsibility, you will be asked to fulfill the roles of vision, structure, accountability, and advocacy. In providing vision, the board, with extensive participation of the community, envisions the community’s educational future and then formulates the goals, defines the outcomes and sets the course for the public schools.

To achieve the vision, the board establishes a structure and creates an environment designed to ensure all students the opportunity to attain their maximum potential through a sound organizational framework.

Because as a board we must be accountable to the community, we must ensure a continuous assessment of student achievement and all conditions affecting the education of our children.

As board members, we serve as education’s key advocate on behalf of students and our community schools to advance the vision for our schools.

Furthermore, we must strive to work together with the superintendent and staff to lead the district toward fulfilling the vision we have created, fostering excellence for every student in the areas of academic skills and knowledge, citizenship and personal development.

*******

Having signed the acceptance of office and oath of office, I hereby publicly affirm my commitment to the oath of office:

I affirm that I will support the Constitution of the United States and of this state, and that I will discharge faithfully the duties of the office of school board member of Independent School District No.834 to the best of my judgment and ability.
Background:
The acting board chair will begin the meeting until the Board is organized. The gavel will then be passed to the newly elected board chair who will conduct the meeting from that point forward.

Board Nomination Process
- One Board member nominates a candidate for office. (A member can nominate him/herself)
- A second must follow from another. (If there is no second, based on past practice of this board, the nomination fails for lack of a second.)
- The chair will ask the nominee if they accept the nomination.
- The chair will ask three (3) times if there are any other nominations.
- A vote is taken if there are no other nominations.

Paper Ballot:
- If there is more than one person nominated for the office, there is a paper ballot.
- Each board member would vote for one candidate and sign his/her ballot.
- The votes of each board member would be read and the winning candidate announced.
- Votes of each board member would be recorded in the minutes of the meeting.
- According to Roberts Rules, a person can abstain from the voting, but needs to write this on his/her ballot.

After Accepting the Agenda and Oath of Office, the first order of business should be the nomination and election of officers for the Board.

Meeting Date: January 3, 2019

Background:

If you wish to speak to the School Board, you will be able to do so at the start of the school board meeting during Open Forum. You may sign in only for yourself, not other individuals or groups, and only in person. The sign in sheet is made available 30 minutes prior and up to the start of the meeting. Due to time limitations, we will limit the number of speakers to 12. If you spoke at the last meeting, please consider allowing others to sign in before you. After you address the Board, please leave the podium.

Stillwater Area School District welcomes input from citizens as community involvement fosters better decision making and improved learning experiences for all students. While comments and questions are welcome during Open Forum, law prohibits the Board from discussing concerns about individual employees or students in a public meeting. We will stop the proceedings immediately if employee or student privacy issues are raised and direct the speaker to forward comments regarding individual employees or students to the superintendent.

Because we are modeling civil discourse for our community, speakers must present their testimony in a respectful manner. Vulgarity, character attacks, malice or specific complaints identifying staff or students by name or implication will not be permitted.

The Board will not deliberate, discuss, or engage in conversation with speakers during open forum.

However, the Board may ask administration to review the concern(s) presented.

C. 2019-2020 Course Additions, Revisions
Ms. Larson requested approval of the course changes as presented at the December 13, 2018 business meeting.

**Online Blended Biology:** Students are provided the opportunity to take General Biology as an online blended biology course. They may take this online course for one semester or both semesters. This course follows the same Minnesota Benchmarks in Biology as General Biology. The revision to this course is to reinstate either Physical Science or STEM Physical Science as a prerequisite.

**Human Anatomy and Medical Terminology:** Changes within the University of Minnesota’s College In Schools (CIS) Human Physiology course has required us to re-examine our scope and sequence relating to our Human Anatomy and Physiology course. The change away from our existing Human Anatomy and Physiology course to Human Anatomy and Medical Terminology will create two distinct courses in human biology and would allow for students to take both courses if they so choose. It provides more depth within Medical Terminology and related content.

**Journalism and Yearbook:** Journalism and Yearbook currently are separate courses although Yearbook content is covered within our Journalism course. Because Yearbook has been offered as an independent elective class, enrollment has inadvertently been limited. Officially combining Yearbook with Journalism will allow more students access to Yearbook experience. Students will have the option to take it for English credit or Art credit.
Advanced Video Productions: This new course will allow students to continue their learning from our Introduction to Video course. Students will focus on artistic processes, software exposure and digital video skills.

Computer Science Advanced Topics: This new course will allow students the opportunity to strengthen their computer science skills. It will focus on complex coding algorithms, programming, computer language, robotics, and allow students the opportunity to earn certification from Google for fixing Chromebooks.

Geometry with Computer Science: This new course will introduce students to computer science topics while earning their geometry credits. It will cover all information from our Geometry A & B course while embedding relating computer science concepts such as conditionals, loops, and syntax. It will also use a block coding language created by MIT entitled Scratch.

Motion by: Member O’Loughlin; Second by: Member Hovland; Vote: 6 ayes, 0 nays, Motion Carried Unanimously.

XIII. Adjournment
The meeting adjourned at 11:08 a.m.

Respectfully submitted, Paula O’Loughlin, school board clerk.

Consent Report:  Designate Depositories of Major Accounts  
Meeting Date:  January 3, 2019  
Contact Person:  Kristen Hoheisel, Executive Director of Finance and Operations

**Background:**

Administration has reviewed the checking and depositing needs of Independent School District #834. Prior to naming the official depositories, any Board member who has stock or any other financial interest in a bank located within the boundaries of the school district, other than a regular account, must make this fact a matter of public record.

Administration recommends that the Board designate the following institutions as depositories of District funds:

- First State Bank and Trust
- Lake Elmo Bank
- MN Trust (PMA Financial)
- U.S. Bank
- U.S. Bancorp Piper Jaffray

INDEPENDENT SCHOOL DISTRICT #834
SCHOOL BOARD RESOLUTION
DESIGNATING DEPOSITORIES AND MAJOR ACCOUNT BANKS

Whereas, it is the practice of the School Board of Independent School District #834 to adopt its annual organizational resolutions at its first meeting of the calendar year;

Whereas, Administration has reviewed the checking and depositing needs for School District funds and has recommended the designation of the following depositories:

First State Bank and Trust   U.S. Bank
Lake Elmo Bank     U.S. Bancorp Piper Jaffray
MN Trust (PMA Financial)

Whereas, Administration has recommended that the following depositories continue to be designated as Major Account Banks:

Lake Elmo Bank - Operating, Debt and Building Funds
First State Bank and Trust - Payroll Account

Whereas, any Board member who has stock or any other financial interest in a bank located within the boundaries of the school district, other than a regular account, must make this fact a matter of public record; and no individual Board member voting on this resolution has any such financial interest;

Now therefore the School Board of Independent School District #834 hereby resolves:

1. The Board designates the following depositories for School District funds:

First State Bank and Trust   U.S. Bank
Lake Elmo Bank     U.S. Bancorp Piper Jaffray
MN Trust (PMA Financial)

2. The Board designates the following depositories as Major Account Banks:

ISD 834 Board Meeting

Consent Report: Resolution Authorizing Use of Facsimile Signature
Meeting Date: January 3, 2019
Contact Person: Kristen Hoheisel, Executive Director of Finance and Operations

Background:

As a practical matter, the District must authorize the use of facsimile signatures for purposes of conducting financial affairs. Minnesota Statutes § 47.41 authorizes such facsimile signatures. If the District maintains insurance to protect its depositors against the misuse of facsimile signatures, under Minnesota Statutes § 47.42 the authorized signers are protected against personal liability for losses arising from the misuse of their facsimile signatures (unless the loss is caused by that authorized signer’s own wrongful act). Staff recommends the Board adopt the following resolution:

1. The Board Chair, the Board Clerk, and the Executive Director of Finance are hereby authorized to sign checks, drafts, warrants, warrant-checks, vouchers or other orders on public funds on deposit in a depository bank (“Instruments”).

2. The School District’s depository banks are hereby authorized to honor any Instrument bearing the facsimile signature of the Board Chair, the Board Clerk, or the Executive Director of Finance, and to charge the Instrument to the account on which it is drawn as fully as though the Instrument bore the manually written signature of such officers.

3. The School Board hereby authorizes and directs Administration to procure and maintain insurance in the amount of $50,000, from an insurer authorized to do business in the State of Minnesota, to insure the depositors against the loss of any public funds withdrawn upon unauthorized use of facsimile signatures.

**Whereas**, if the School District insures depositors against losses arising from the misuse of facsimile signatures, under Minnesota Statutes § 47.42 the authorized signers shall not be personally liable for losses arising from the misuse of their facsimile signatures unless the loss occurs by reason of that person's own wrongful act;

**Now therefore the School Board of Independent School District #834 hereby resolves:**

1. The Board Chair, the Board Clerk, and the Executive Director of Finance are hereby authorized to sign checks, drafts, warrants, warrant-checks, vouchers or other orders on public funds on deposit in a depository bank (“Instruments”).

ISD 834 Board Meeting

Consent Report: Resolution Authorizing Administration to Contract for Budgeted Items
Meeting Date: January 3, 2019
Contact Person: Kristen Hoheisel, Executive Director of Finance and Operations

Background:

Minnesota Statute 123B.52, subdivision 2, states that the Board may authorize its superintendent or business manager to lease, purchase, and contract for goods and services within the Board-approved budget. In our Administration, the title of the business manager is Executive Director of Finance. The current statutory limit on the delegated contracting authority is $100,000. (See Minn. Stat. § 123B.52, Subd. 2; and Minn. Stat. § 471.345, Subd. 3.) The Board has the discretion to set the limit at a lower amount if it chooses. Staff recommends the Board adopt the following resolution authorizing the Superintendent and the Executive Director of Finance to contract for items in the Board-approved budget:

1. The Board hereby authorizes the Superintendent and the Executive Director of Finance to lease, purchase, and contract for goods and services that: (a) are within the budget the Board has approved; and, (b) do not exceed $100,000.

2. Any proposed lease, purchase, or contract exceeding $100,000 must be submitted to the Board for approval.

3. Any proposed lease, purchase, or contract for an item outside the Board’s approved budget must be submitted to the Board for approval.

4. Notwithstanding the delegation of authority in Paragraph 1, the Board retains the discretion and authority to review, approve, or reject any proposed lease, purchase, or contract before it is executed.

Consent Report: Resolution Authorizing Administration to Develop Specifications and Solicit Bids
Meeting Date: January 3, 2019
Contact Person: Kristen Hoheisel, Executive Director of Finance and Operations

Background:

Minnesota Statute 123B.52 provides that the Board may not enter into certain types of contracts with an estimated cost or value over $100,000 without first advertising for bids or proposals. For items within the Board’s approved budget that require advertising for bids, the following resolution authorizes Administration to develop specifications and solicit bids for the Board’s consideration:

1. The Board hereby authorizes Administration to develop specifications and solicit bids on budgeted items which, by statute, must be advertised for bid. This authorization is limited to items the Board has approved in the budget process.

2. The Board retains the discretion to elect to review any specifications before soliciting bids.

3. The Board retains the sole authority to review all bids and accept or reject any or all bids based on that review.

Consent Report: Resolution Authorizing Executive Director of Finance and Operations / Supervisor of Financial Services to make Electronic Fund Transfers
Meeting Date: January 3, 2019
Contact Person: Kristen Hoheisel, Executive Director of Finance and Operations

Background:

MS 471.38 defines the authorized electronic fund transfers and procedures. That statute requires the School District to follow certain policy controls which include, among other things, that all transfers be reported to the Board at its next regular meeting. The School District follows all required controls and a report of all transfers is a part of the Consent Agenda that is approved by the Board. In addition, the statute requires the School Board annually designate the staff that may authorize these electronic transfers. The following resolution makes that designation.

“The Board hereby delegates to the Executive Director of Finance and Operations and to the Supervisor of Financial Services the authority to make electronic fund transfers. These designated district staff shall continue to be shown on the appropriate major bank account signature cards as required by bank policy.”

KH:Im

SCHOOL BOARD RESOLUTION
AUTHORIZING ELECTRONIC FUND TRANSFERS

Whereas, it is the practice of the School Board of Independent School District #834 to adopt its annual organizational resolutions at its first meeting of the calendar year;

Whereas, Minnesota Statutes § 471.38, subdivision 3, authorizes the School District to utilize electronic fund transfers for the following matters: (1) for a claim for a payment from an imprest payroll bank account or investment of excess money; (2) for a payment of tax or aid anticipation certificates; (3) for a payment of contributions to pension or retirement fund; (4) for vendor payments; and (5) for payment of bond principal, bond interest and a fiscal agent service charge from the debt redemption fund;

Whereas, to be eligible to utilize electronic fund transfers, the School District must annually delegate the authority to make electronic funds transfers to a designated business administrator or chief financial officer or the officer’s designee;

Now therefore the School Board of Independent School District #834 hereby resolves:

1. The Board hereby delegates to the Executive Director of Finance and Operations and to the Supervisor of Financial Services the authority to make electronic fund transfers. These designated district staff shall continue to be shown on the appropriate major bank account signature cards as required by bank policy.
Report Purpose:
The purpose of this report is the District is required by statute to designate a newspaper for official school publications (Minnesota Statute 331A.04) each year.

Summary:
Administration requested proposals from the Stillwater Gazette, Lillie Suburban Newspapers, Inc., Press Publications/St Croix Valley Press and Country Messenger. Criteria for evaluation of proposals included cost per column inch to publish District 834’s legal notices and proceedings, the schedule for newspaper publications including deadlines for submission of notices, and, pertinent newspaper service/circulation data.

The Stillwater Gazette is published once a week, on Fridays, for submission of legal notices, with circulation to approximately 1,823 households in the St. Croix Valley area zip codes. Lillie Suburban Newspapers, Inc. is published weekly, for submission of legal notices, with circulation to approximately 7,500 households in Oakdale, Lake Elmo, and Woodbury. Recommendation:

Consent Agenda Item: Financial Disbursement Procedural Change
Meeting Date: January 3, 2019
Contact Person: Kristen Hoheisel, Executive Director of Finance and Operations

Summary
The school board requested a change in when we submit payment to our vendors. At the June 7, 2018, business board meeting the school board approved that payments will not be distributed until approved by the school board effective July 1, 2018.

The procedure also states that when claims cannot be deferred until the next board meeting without a loss to the district, a claim may be paid prior to board approval. We consistently have claims with finance charges for services that have been performed in the following categories:

Utilities
Xcel Energy
Center Point Energy
AT & T Phone
T-Mobile Phone
Century Link
Municipal water bills
Municipal utility bills
Wex Bank (SA / Speedway) fuel bills

Miscellaneous Categories
Insurance bills
Sam's Club
WalMart bills

Administration is recommending a standing authorization of payment to the above vendors prior to board approval.

Attachment: Financial Disbursement Procedural document

Recommendation:
Approval of the Consent Agenda will be requested.
Accounts payable check register will be submitted to the school board at regular board meetings. Payments will not be distributed until approved by the school board.

When payment of a claim cannot be deferred until the next board meeting without a loss to the district of a discount privilege, and due to contract terms, purchase order terms, or a vendor’s standard terms which are part of the contract, a claim may be paid prior to board approval, providing that the board (MN Statute 123B.02 subd. 19):

1. has delegated authority to the clerk or a designated business administrator to make a payment prior to board approval; and
2. requires that payment made prior to board approval be acted upon at the next board meeting.

Payment prior to board approval must not affect the right of the district or a taxpayer to challenge the validity of a claim.

In recognition that there may be times when the practice of payment distribution is not timely or practical, payment may be authorized by designated authority.
