Background:

If you wish to speak to the School Board, you will be able to do so at the start of the school board meeting during Open Forum. Stillwater Area School District welcomes input from citizens as community involvement fosters better decision making and improved learning experiences for all students. While comments and questions are welcome during Open Forum, law prohibits the Board from discussing concerns about individual employees or students in a public meeting. We will stop the proceedings immediately if employee or student privacy issues are raised and direct the speaker to forward comments regarding individual employees or students to the superintendent.

Because we are modeling civil discourse for our community, speakers must present their testimony in a respectful manner. Vulgarity, character attacks, malice or specific complaints identifying staff or students by name or implication will not be permitted.

The Board will not deliberate, discuss, or engage in conversation with speakers during open forum.

Background: The Stillwater Area High School Tennis Courts had surface cracks appear prior to the expiration of the warranty period. The determination of the cracking has not been conclusive. **Background:** Recent budget cuts require the District to reduce expenses across many programs, including our online learning platform. In order to accomplish this, a team of teachers and administrators evaluated multiple online learning platforms used by our Alternative Learning Center, special education programming, and other students who require special access to online curriculum. The evaluation process was designed to determine which products meet all needs. Subsequent negotiations took place to determine which product would meet the District’s budget parameters.

4 solutions were considered; 3 presentations were provided to the committee; 2 products passed the committee’s recommendation.

Summary:

In conversation with the City of Lake Elmo, there is a delay by the developer as it relates to the Hudson Boulevard road realignment and the running of water and sewer lines. Our purchase agreement has timelines and expectations of the developer completing the aforementioned. Those timelines will not be met. To be proactive, administration is asking that we engage legal counsel in the event there is any adverse consequence (financially or otherwise) due to the developer's delay.

The City of Lake Elmo is represented by Sarah Sonsalla of Kennedy and Graven. Sarah would typically represent our district as it relates to property. Therefore, it is our request that we engage Peter Mikhail of LeVander, Gillen & Miller, P.A. as our representation on this matter.

Recommendation:

A motion and a second to approve Peter Mikhail of LeVander, Gillen & Miller P.A. is requested.
