Students are asked to report no later than 7:30 for the morning exams. The report time for afternoon exams may fluctuate slightly if the morning exam is running late. Student's testing schedule with room location will be emailed through Total Registration closer to the exam period. Students who wish to register for an exam, but are not presently enrolled in an AP course should work with their counselor.

- ***The length of afternoon exams will require students provide their own transportation home.***
- ***Students may not finish their exam early and leave before the required standard testing period.***
- ***If a student is ill on the day of their exam, the AP Coordinator must be contacted to request possible late testing. Late testing is at the discretion of the school.***
- ***STUDENT CELL PHONES AND/OR SMART WATCHES ARE NOT ALLOWED IN THE EXAM ROOM.***

Register for AP exams with Total Registration beginning Feb. 4th at <https://user.totalregistration.net/AP/242450>.
