**HealthyMOVES Year 2**

HealthyMOVES\_OptOutForm\_2014-15.pdf Mon Nov 3, 2014 3:22pm

Dear Parent/Guardian:

Stillwater Area Public Schools is in year two of the Carol M. White PEP Grant funded HealthyMOVES initiative that is working hard to improve the overall health and wellness of students by focusing on lifetime physical activity and healthy choices. This grant supports efforts within our Bridge to Excellence plan to help students increase their health and fitness knowledge and form healthy habits. HealthyMOVES helps students understand and enhance their physical, mental, social and emotional development, creating a solid foundation for success in school and life.

We accomplished some exciting work in year one, for instance:

- We've implemented a new, evidence-based Physical Education curriculum that is aligned with the National Standards.
- We're increasing the amount of time students spend being physically active - in and out of the classroom.
- We've invested in more cardio equipment for the secondary levels to keep kids moving!
