

# CAR POOL SAFETY

We need your help maintaining the safety of our students in carpool. Please have your son/daughter ready to get out of the car with bags ready to go as you pull up to stop. Students should exit out the passenger side of the vehicle onto the sidewalk **after the door is open by an adult staff member or a student safety patrol**. Once you unload please do not pass the cars in front of you. We occasionally have pedestrian traffic in this lane. Remember supervision of car pool begins at 8:30. Please do not drop students off in car pool before this time. Thanks for your cooperation as we keep all students safe.

**Please refrain from using the main office location for carpool drop off and pick up. We have no supervision in this area. Use Laverne Avenue to access carpool behind the Fury Auto Dealership. THANK YOU!**
