

# Instant Decision Day

Instant Decision Day is an opportunity for you to apply in advance, have your application fee waived the day of the event, and receive an admissions decision during a one-on-one meeting. Applicants will have a 10 minute time slot scheduled for them to meet with an admissions representative to discuss their transcript, test scores, majors of interest and the campus. The admissions representative will make an admissions decision during this time. If accepted, students then have until National Decision Day, May 1, of their senior year, to accept or refuse the admissions offer.
