

# STUDENT USE GUIDELINES

The Pony Activity Center is a multi-use facility for students and community use. The PAC is closed to the public between 2:10-4:30 p.m. Monday-Friday to accommodate student-athlete practices and training.

For safety reasons, supervision is required for students to use athletic areas. Stillwater Area Public School students may use the Pony Activity Center without a membership in the following situations:

## **1. IN-SEASON STUDENT ATHLETES**

Students may use the PAC for free if they are part of an athletic team in-season program. Their coach must be present.

## **2. OUT-OF-SEASON STUDENT ATHLETES**

Students may use the PAC for free if they are attending approved programming that is for an upcoming season with district staff supervision. For instance, open gym/captain practices require adult supervision following Minnesota State High School League rules.

## **3. DISTRICT SPONSORED ACTIVITIES**

Students may use the PAC for free if they are participating in official district activities such as Pony Power and Performance or Community Ed programming. Students are required to sign up for these programs. Attendance will be taken and the instructor will provide supervision.

## **4. PHYSICAL EDUCATION (PE) MAKEUP CLASS**

Students may use the PAC for free if they have scheduled a PE makeup class. Students should make arrangements with their PE teacher who will provide supervision.

## **PAC MEMBERSHIPS ARE REQUIRED FOR ADDITIONAL USE OF THIS FACILITY**

Students who would like to use the PAC for other reasons need to purchase a \$10 a month membership. The fee is needed to pay the cost of supervision and ensure safety of our students. Financial assistance for a three month student membership is available through Youth Advantage for \$5-\$15 depending on level of need. More information about Youth Advantage is available in the PAC Office 651-351-8036.
